### **1. What types of parties do you do?**

We do all types of parties or gatherings, from birthdays to anniversaries. Weddings, graduations, receptions, company picnics, Christmas parties, you name the theme, we can play it for you.

### **2. Do you perform outside of Memphis?**

Yes, for a minimal travel charge, we will travel anywhere outside the Memphis area. Call for details.

### **3. What types of music do you have?**

We have all types of music. With over 4,000 songs in our catalogue, we can play something for everybody; whether they're six or sixty. Also, we carry all our music on sight with us to all our shows.

### **4. What are your rates?**

Our rates vary due to date, amount of time needed and location and if a particular DJ is requested. Day rates are different than night rates, as well as week dates from weekend dates. All special rates are quoted by phone only. Please give us a call and we will discuss your needs to give you the absolute best rate possible.

### **5. How long do you play?**

We have a 2-hour minimum and usually average 4 hours per party.

Unlike live bands, we do not take breaks. We play music continuously for the entire party. We can make any announcements or MC the entire event for you. In addition, if everyone is having a good time, we can extend our hours at the discretion of the DJ.

### **6. How do I pay? Is there a deposit?**

Deposits are required on all dates. The balance can be paid at any time, but is not required until the night of the party. We accept cash, approved check, or a credit card for payment. Deposits are 50% of the contract price and in most cases are non-refundable. If you should need to cancel, you must do so in writing to our office 45 days prior to your reserved date.

### **7. What is included when I book you to play for me?**

Everything! Our DJ's carry all their equipment and their music! We do ask that you provide the DJ with a 6' table and electricity. If there is special music you want, you may bring your own CD's.

### **8. Can I request certain songs to be played?**

Yes! We encourage requests! We will provide you with a sheet to fill in your music selections, as well as you may request a general song list from us to help in making your song selections. Please feel free to make requests to our DJ's during the party! We love to hear from you!

### **9. How do I reach you?**
