Benefits of Owning Section 8 Housing:

Everything a prospective owner would need to know. This video was designed as a "sales piece" to show anywhere you might be able to attract prospective new landlords, owners, or property managers. It discusses the process and highlights the positive aspects for a Landlord – such as competitive rent prices and receiving monthly payments from the Federal Government. 11:00 Min.

Essentials for Commissioners: Education and focus are essential elements for your commissioners to truly understand their mission and create a winning team. This video will educate your commissioners on governing of the PHA. By being properly educated, they can maximize their efforts to create a smooth running Agency. 19:00 Min.

Housekeeping 101: Specifically designed for the Housing Industry, this video educates your tenants on keeping their residence looking its best. It displays proven ways to keep the unit in shape, thereby improving property conditions and creating tenant success. Subjects include: cleaning tips and demonstrations, appliance care, and more. Both PH and HCV programs can utilize this video. This is THE "how to" video for which you have been searching. Highly requested! 18:00 Min.

Coming Soon: Housekeeping 102 – Safety Rules – only available from Robin Scott Productions

How to Be a Good Renter: Designed by Robin Scott with input from several Housing Agencies, this video provides your renters with basic instructions for completing a successful rental experience. Included are instructions on: searching for the right place to live, landlord negotiations, why making rent payments on time is imperative, what to do about needed repairs, and getting along with the community. This video is excellent for anyone in your program. Benefits include: reduced renter turnover, raised quality level of tenants, increased PHA utilization rates, and a better program image. 16:38 Min.

Owner Briefing: This video is the definitive tool for new and prospective owners. Your owners get information that they desperately need to make the experience with your voucher holders a successful one for everybody involved. It explains the rules and regulations of the program. Having your owners view this information packed HCV video saves you time and money by doing the work for you. This video discusses updated, mandatory legislative and regulatory provisions of the program to those members of your Board, staff, and community. 21:10 Min.

Owner Guide to HQS Inspections: This video is extremely helpful tool for anyone involved in the inspection process of the units. It is informative for your staff or show this to your landlords so they know what to expect when an inspection occurs. Includes a detailed segment on lead based paint. 1 Hr 12:00 Min.

Public Housing Orientation: This video is created for the purpose of educating your participants on the rules and regulations of Public Housing. It includes mandatory legislative and regulatory provisions for your staff. Educates everyone from the PHA Board to the staff to the community, and more. This video is a vital tool for your PHA. 17:00 Min.

Voucher Family Briefing: A required HUD task, this video shows your new Section 8 participants the all-important rules and regulations. Very detailed and easy to follow, your participants will leave with a firm grasp on the information they need. Our best seller!!!! 30:00 Min.

Annual Revision Service: Think of this as an insurance policy. If changes are made to the program during the year (and the revision is for 1 year only) then we will simply add those changes to the existing video and mail the revised video at no charge. If the revision service is not purchased, the agency could get caught with showing the old video. This would lead the agency into having to purchase a completely new updated video once it is released. You only need it when you need it.
